Dear General Aviation Stakeholder:

I believe one of my most important objectives as Assistant Director is to increase communication between the stakeholders at each of our general aviation airports and the Department of Aviation so that we may serve you better. Remember, we want to make the Clark County General Aviation Airports, the most user friendly General Aviation Airports in the nation.

To further this objective, I would like to announce the formation of the General Aviation Advisory Committee. The purpose of the committee is to provide us with feedback and advice on a variety of issues affecting the operation of our general aviation airports. These include safety issues, facility concerns, regulatory compliance issues, and other items related to airport operations and administration. We are particularly interested in items suggested by members of the committee that may affect our community as a whole.

The committee I selected is composed of ten individuals who represent a cross section of our general aviation airport stakeholders. They possess a wide range of aviation experience and business knowledge, and each member is a longstanding airport stakeholder. In addition, I believe that each individual is dedicated to the safe and efficient operation of our general aviation airports. The Committee members are: Walter Ayers, [walter\\_ayers@cox.net](mailto:walter_ayers@cox.net); Richard Dix, [R1509@aol.com](mailto:R1509@aol.com); Max Doubrava, [onlymax@cox.net](mailto:onlymax@cox.net); Dave Edwards, [pittsspecial@cox.net](mailto:pittsspecial@cox.net); Norm Ivans, [n-ivans@msn.com](mailto:n-ivans@msn.com); Ron Kodimer, [rkodimer@aol.com](mailto:rkodimer@aol.com); Joe La Beau, [jlabeau@tccsltd.com](mailto:jlabeau@tccsltd.com); Dan Markoff, [transyard@aol.com](mailto:transyard@aol.com); Billy McCoy, [billymccoy63@aol.com](mailto:billymccoy63@aol.com); Marv Rogge, [mdrogge@aol.com](mailto:mdrogge@aol.com).

The initial meeting of the committee was held on March 3, 2008. The general organization of the committee and certain administrative matters were discussed. The key elements of these meetings will be discussed at the Stakeholder meetings.

Please feel free to contact me if you have any further questions or comments regarding the committee at 702-261-5746 or [cecilj@mccarran.com](mailto:cecilj@mccarran.com).

Sincerely,

A handwritten signature in blue ink that reads "Cecil Johnson".
